

Numbers 1-9 Learning Unit

Age 3-5: Number Recognition & Tracing

Build counting and number recognition skills with this comprehensive numbers learning unit.

Each number includes:

- Large traceable number with directional arrows
- Corresponding visuals (candies, objects to count)
- Number word in English + Spanish
- Ten practice boxes for number tracing
- Counting activities and visual representations

Numbers covered: 1, 2, 3, 4, 5, 6, 7, 8, 9

Activities support fine motor development, number identification, and early math skills.

Bilingual labels for ESL and dual-language settings.
